BLUE HEAT®

WHEN THINGS GET HEATED BLUEHEAT® KEEPS YOU COOL

Your best way to beat the heat, BlueHeat® is the everyday solution to temperature affected items up to 150°C*.

Manufactured with comfortable cooling cotton material and coated with void-filling latex that produces a super wrinkle finish. The raised wrinkle texture minimises the surface area that contacts high temperature items, ensuring you can handle heated situations confidently.

The rugged surface of grooves and ridges produces unbeatable grip and control in wet, dry, or even oily conditions, reducing the risk of temperature affected items dropping or slipping.

**Level 2 contact heat only on palm*

**Not suitable for welding or any open flame*

BENEFITS

- *Certified heat contact reduction through wrinkled latex coating*
- *Built with breathable, lightweight materials for prolonged cool comfort*
- *Extraordinary gripping abilities reduces risk of dropping items*
- *Enables maximum dexterity for confident full-hand movement*
- *Fully washable and reusable*
- *Offers tough abrasion and puncture resistance*

SIZE	PART NO.
Small	710401
Medium	710402
Large	710403
